PROFESSIONAL SUMMARY

Application and IT Services Analyst with experience supporting digital applications, coordinating cross-functional delivery, and tracking service performance. Skilled in Jira-based execution, SLA monitoring, risk identification, and cybersecurity-aligned compliance activities. Brings strong technical foundations in application security, system reliability, and stakeholder collaboration to support enterprise application portfolios.

EXPERIENCE

6sense HQ

June 2025 - Present

Associate Project Coordinator

Oct 2025 – Present

Project Manager (Intern)

June 2025 – Oct 2025

- Supported application roadmap execution by preparing PRDs, user stories, and change requests
- Coordinated with engineering, design, and QA teams using Jira & ClickUp to maintain timely delivery of releases
- Tracked sprint progress, risk flags, and dependency issues to support service governance
- Assisted in QA validation, test case design, and release readiness checks

Key Projects Delivered

- **EasyGig** Gig marketplace platform; handled requirement clarification, sprint execution, and QA coordination
- **Ops4Team** Internal operations management platform; coordinated backlog, sprint execution, and cross-team delivery
- **DepShield** Security tool for monitoring dependency vulnerabilities; managed user stories, testing coordination, and release tracking
- **6sense Official Website** Managed feature updates and coordinated design, marketing, and engineering teams for deployments

BRAC University

Feb. 2024 – May. 2025

Teacher Assistant

- Guided students in core computing concepts, reinforcing problem-solving and system-level thinking
- Supported lab operations, grading, and academic coordination activities

EDUCATION

BRAC University

Jun. 2021 – May. 2025

Bachelor of Science in Computer Science

- Undergraduate Thesis: Yggdrasil- A Dynamic Network Security with Dual-Structured Intrusion Detection and Intrusion Prevention System
 - * Developed a custom **Intrusion Detection and Prevention System (IDPS)** using **Python** for real-time threat detection and mitigation.

PROFESSIONAL CERTIFICATIONS

Google Project Management (7 Courses)

Certificate

- Practice strategic communication, problem-solving, and stakeholder management through real-world scenarios

Agile with Atlassian Jira

Certificate

- Basics of agile methodologies (scrum and kanban)

Automate tasks and processes with Jira

Certificate

- Basics of agile methodologies (scrum and kanban)

Cyber Security 101, TryHackMe

Certificate

- 45+ hours of Hands-on labs covering network security, ethical hacking and vulnerability analysis using real-world tools

Connect and Protect: Networks and Network Security, Google

Certificate

- Gathered ideas to secure a network against intrusion tactics

Tools of the Trade: Linux and SQL, Google

Certificate

- Gained practical experience with Linux systems and SQL operations

Leadership and Engagement

Former Convener at BASIS Students Forum (BRACU Chapter)

Former Acting Vice-President at BRAC University Computer Club (BUCC)

PROJECTS

Swag Labs Software Quality Assurance Testing Report

github.com/AbuHanifSiam

- Created a comprehensive SQA report including Test Plan, Test Scenarios, Test Cases, and Bug Reports
- Documented functional, UI, and usability testing findings using real-world scenarios

SQL Injection Testing on a Website

github.com/AbuHanifSiam

- Performed penetration testing using SQL injection techniques on a custom-built vulnerable PHP-MySQL site
- Created a detailed penetration testing report following the IBM report template, outlining identified vulnerabilities and mitigation strategies

TECHNICAL SKILLS

Programming Languages : Python, Java, PHP, MySQL, HTML

Project Tools : Git, GitHub, JIRA, ClickUp

Operating Systems: Kali, Ubuntu, Fedora

Leadership and Engagement

Former Convener at BASIS Students Forum (BRACU Chapter)

Former Acting Vice-President at BRAC University Computer Club (BUCC)

Awards and Recognition

VC and Dean's List Award (BRAC University)

2022-2025

Merit-Based Scholarship (BRAC University)

2022-2025

Best Volunteer (Hult Prize)

2023
